Residential deposits shall be made either:

- (a) in cash at the time of making application; or
- (b) one-third to be paid in cash at the time of making application and the remaining two-thirds to be billed on the first two months billing; or
- (c) an applicant for residential connection may present a letter of credit from applicant's most recent utility company which represents a satisfactory payment history for at least twelve (12) months preceding the date of application. To be satisfactory, the letter must not indicate that the applicant has been advised of late payment more than two (2) times during the period.
- (d) Any customer whose account has been active for twelve (12) months and has not been advised of a late payment during that period, shall be entitled to their deposit for utility service being applied to the account balance or refunded by check within thirty (30) days.

DEPT.**DESCRIPTION****CURRENT**

Commercial

2X monthly usage

For commercial connections:

- (a) a service deposit shall be required which shall be equal to an estimate of the cost of sixty (60) days utility service, with a five hundred dollar (\$500.00) minimum deposit. The amount of the deposit shall be estimated by the utility billing clerks or his or her authorized representative.

Where billing figures for a comparable establishment are not available to establish the deposit for a commercial connection, the utility billing clerks shall estimate a two-month billing based upon information received from the applicant. The utility office shall review the estimate and 01 within the first three months make the appropriate adjustment in the deposit amount.

- (b) Commercial deposits shall be made in cash. The Director of Finance or his or her authorized representative may authorize an alternative method of deposit for commercial accounts on a case by case basis
- (c) When and if it is found that the deposit required and is collected in accordance with the above schedule is not sufficient to protect the City from losses that may occur over a period of two (2) months, the Director of Finance may, at his or her discretion, require an additional cash deposit, or may require an additional deposit if for any reason the amount of the deposit becomes less than the originally required under the schedules hereinabove set forth.
- (d) The deposit is held on the account until the account is closed out. The deposit is then applied to the balance on the account. Any money left over is sent to the forwarding address provided.

A customer with an existing account established before October 1, 2005, will not be required to establish an additional deposit unless and until the customer's service is terminated for non-payment. In that event, the deposit requirements of this section will apply.
